WORK EXPERIENCE

WEB DEVELOPER Aug 2023

AISA Committee Aug 2023

The AISA committee, a committed group of students in our college department, is essential to the planning of numerous activities. I'm excited to take on the task of creating a webpage section that will successfully highlight the committee's Team Members and their work or upcoming events.

MACHINE LEARNING INTERN Sep 2023 -

Digilytics Systems LLP Nov 2023

Later, I continue in same company as a machine learning intern, their is a project related NLP so they want me to continue and work on it for them. I am working on a LLM model for the output in project.
